Welcome from The Ohio State University

Dr. Andrew Heckler, Assistant Professor, The Ohio State University College of Mathematical and Physical Sciences

Presentation of Awards

Parents, families, and friends will be seated on the south side of St. John Arena for the Awards Ceremony. Student exhibitors should sit by Jr. Academy of Science Council Districts in the south bleachers and in sections 5A and 7A in St. John Arena. Refer to the map below. Student exhibitors receiving awards will stand by districts to be recognized. In order to save time in a long program, students will not come forward except to receive Harold C. Shaw Memorial Outstanding School Awards and a few special honors. Based on a survey of 2009 participants, most of the scholarships and sponsored awards will be announced on the website <http://www.ohiosci.org/ssd.htm> by Friday, May 13. Award certificates, plaques, and other items will be mailed to students within two weeks.

Awards will be announced in the following order:

- Superior, Excellent, and Good awardees
- Six-year and Five-year Student awardees
- Harold C. Shaw Memorial Outstanding School Awards

The Awards Ceremony will end at approximately 3:00 PM.
