

The Ohio Environmental Science & Environmental Engineering SCHOLARSHIP PROGRAM

<http://ohiosci.org/oeef-scholarship/>

How to apply

Merit based, nonrenewable scholarships will be given to undergraduate students enrolled at an Ohio public or private college/university/community college who can demonstrate their knowledge and commitment to careers in environmental sciences or environmental engineering. Students must be entering their Junior or Senior year of the program by the autumn term. Awardees will be selected by an Academy appointed panel. Scholarships may be used for tuition, fees, books, personal protection equipment, tools, instruments, and field equipment but not housing.

PLEASE COMPILE ALL NECESSARY DOCUMENTATION IN THIS ORDER INTO 1 PDF FILE:

1. A current (full) transcript and circle the GPA. The transcript must include all courses taken to-date. Applicant must have a minimum 3.0 CPA to apply.
2. Attach a maximum two-page vita, biosketch, or resume that includes the following elements, in this order: complete contact information, education, employment and/or internships (basic information only), honors/ awards, professional memberships, publications (full citation), presentations given, and professional meetings attended, and community service.

Each of the following essays may not exceed one two-sided page, double spaced, 12-point font, 1" margins.

3. (Essay 1) Attach an essay to describe your reasons for choosing a career in environmental science or environmental engineering and how this scholarship will help you.
4. (Essay 2) Attach an essay detailing any original research, scholarship, employment and/or internships, or other unique contributions to environmental science or environmental engineering.
5. (Essay 3) Attach an essay describing your extracurricular activities and participation in organizations that demonstrate your leadership and interpersonal skills and social responsibility.
6. Attach **two** letters of recommendation* from education or environmental professionals, addressed to Scholarship Review Committee. One must be from a faculty member at your institution.

* If necessary, your letters of recommendation can be emailed to info@ohiosci.org

Once all the needed material is compiled, go to <https://form.jotform.com/OhioScience/oes-ee-application-submission> to submit your Ohio EPA Scholarship Application.
