**STATE SCIENCE DAY SPONSORSHIP**

Would your organization like to promote and encourage Ohio's students to further their natural curiosities toward scientific inquiry and engineering design? Please consider becoming a general sponsor, or the sponsor of an award or scholarship.

Ideally, this is a unique way to not only support the State Science Day students, but also to promote the science, technology, and workforce needs of your business or industry.

For more information please email [info@ohiosci.org](mailto:info@ohiosci.org) or call 614-389-2182.
