Regional Science Days

Participants for the 2025 Regional Science Day will register via [ProjectBoard](#). Each of the Fairs will be held in-person. Be sure to visit your Region’s Science Day website for event schedule and additional information that may apply for the event. A virtual Regional Science Day will be held as “Virtual Regional Science Day”.

To begin a project or to prepare to submit a project for the 2025 District Science Day students must **create or re-activate** last year’s account in [ProjectBoard](#) by **January 31, 2025**. They will need a class code from their participating classroom teacher. If they are an independent student not connected to a classroom educator or afterschool facilitator, please contact the Ohio Academy of Science for your code at: info@ohiosci.org

<https://projectboard.world/oas>

The submission deadline to have all required information in [ProjectBoard](#) for the Regional Science Day is **February 25, 2025**.

The 2025 Regional Science Day submission fee is \$30.00 per student*

Submission fees can be paid by credit card here: <https://form.jotform.com/OhioScience/rsd-payment-form>

Schools wishing to pay for their students must contact the Regional Science Director before the February 25, 2025, deadline to confirm the school is paying the student submission fee. The school will need to provide a list of students. Submissions are NOT complete until payment is confirmed.

Location and Date	Contact and Website	Type of Presentation @ RSD
Ashland University March 22, 2025	Dr. Jeffrey Weidenhamer jweiden@ashland.edu https://www.ashland.edu/cas/mohican-district-science-day	a trifold, a Quad chart poster, or laptop at their table space
Belmont College March 22, 2025	Chris Clantz cclantz@belmontcollege.edu https://www.ohiosci.org/belmont-college	trifold or laptop at their table space
